

The great thing about being located on the West Bank of the Flats is that we're steps away from the Cuyahoga River and surrounded by historic bridges. The downside is that sometimes those bridges need repair.

The historic Center Street Bridge is undergoing a major renovation in 2022. Here are some alternate ways to get to the Greater Cleveland Aquarium:

From the East

Take I-90 to Route 2 West. Exit at W. 28th St. (inside/left lane) and turn right on W. 28th St. Right on Washington Ave. Right on W. 25th St. Wide left onto Washington Ave. at traffic light. Left on Winslow Ave. Follow Winslow into parking lot.

From the West

Take I-90 East. Exit at W. 25th St. Left on W. 25th. Crossover Detroit Ave. Sharp right on Washington Ave. (2nd traffic light north of Detroit). Left on Winslow Ave. Follow Winslow into parking lot.
