# Party Activity Choices

## Games:

### Life-size Enrichment

Best for ages 7–12

Octopuses have an amazing memory and can solve puzzles to find their food. See if your guests can solve the puzzling human knot challenge and “feed the octopus” to win the game.

### Find Your Dive Buddy

Best for ages 5–12

For safety in numbers, divers always swim with friends. You’ll be challenged to find your dive buddy “underwater” with all communications done with hand signals.

### Ocean Charades

Best for ages 4–12

Have a splash acting out different ocean animals.

### Pin the Arm on the Octopus

Best for ages 2+

Enjoy a classic party game with an aquatic spin.

### Nom Nom Nom

Best for ages 2+

Oh no, Winky the shark is hungry! Help us “feed” Winky by tossing him his favorite bean bag food!

### Dance Octopus, Dance

Best for ages 2+

How does an octopus dance? Or how does a pufferfish wiggle? With the roll of the dice, act out the movement of some of our favorite ocean animals.

### Classic Only:

### Avoid the Predator Musical Chairs

Best for ages 4–10

All animals need to eat! Enjoy a classic children’s game with a twist. Can you avoid the predator to survive to the end?

### Ultimate Only:

### Big Fish, Little Fish

Best for ages 3–5

The Big Fish is hungry. Keep the Little Fish moving around the circle fast enough, so the Big Fish doesn’t catch up.

## Decorations & Supplies:

The Aquarium will provide light décor. You may bring in additional freestanding or tabletop decorations. The following items will not be permitted: any ceiling and wall decorations, balloons, glitter, confetti or bubbles. It is the responsibility of the party host to set up and clean up any additional decorations. Extra fees will be applied if cleanup is left to an Aquarium team member.

We recommend you allow for an additional 45- 60 minutes after your party to explore the Aquarium. The Aquarium closes at 5pm.

Please note that while you explore the Aquarium, we do not offer storage of personal items. Guests are encouraged to store all items in their cars.
